### 10.2 Complaints procedure for parents and service users

There is a fair way of dealing with issues as they arise in an informal way, but parents may wish to exercise their right to make a formal complaint. They are informed of the procedure to do this and complaints are responded to in a timely way. The same procedures apply to agencies who may have a grievance or complaint.

#### Parents

- If a parent is unhappy about any aspect of their child's care or how he/she feels or he/she has been treated, this should be discussed with the child's key person. The key person will listen to the parent and acknowledge what he/she is unhappy about. The key person will offer an explanation and an apology if appropriate. The issue and how it was resolved is recorded and attached to the child's record in EYMan and recorded in the Nursery Complaint Investigation Record. The recording will also make clear whether the issue being raised relates to a concern about quality of the service or practice, or a complaint. For allegations relating to serious harm to a child caused by a member of staff or volunteer procedure 6.2 Allegations against staff, volunteers or agency staff will be followed.
- If the parent is not happy with the key person's response or wishes to complain about the key person or any other member of staff, he/she will be directed to the Nursery manager. Some parents will want to make a written complaint; others will prefer to make it verbally, in which case the Nursery manager writes down the main issues of the complaint using the Complaint Investigation Record and attached it to the child's record in EYMan where appropriate.

The Nursery manager will investigate the complaint and provide time to feedback to the parent within 28 days.

- If the parent is still not satisfied, or if the complaint is about the Nursery manager, the Nursery manager is asked to forward their complaint verbally or in writing to their line manager (The Chair of the Committee).
- If the parent is still not satisfied, then he/she is entitled to appeal the outcome verbally or in writing to the Chair of the Committee who will discuss the matter the trustees and arrange for further investigation. The Trustees will respond to the parent within a further 14 days.
- If the complainant believes that the matter has not been resolved and there has been a breach of the EYFS requirements they are entitled to make a complaint to Ofsted. The manager will assist in any complaint investigation as well as in producing documentation that records the steps that were taken in response to the original complaint.
- The Nursery manager ensures that parents know they can complain to Ofsted by telephone or in writing at any time as follows:

## **Agencies**

- If an individual from another agency wishes to make a formal complaint about a member of staff or any practice of the Nursery, it should be made in writing to the Nursery manager.
- The complaint is acknowledged in writing within 10 days of receiving it.
- The Nursery manager investigates the matter and meets with the individual to discuss the matter further within 28 days of the complaint being received.
- An agreement needs to be reached to resolve the matter.
- If agreement is not reached, the complainant may write to the Chair of the Committee, who acknowledges the complaint within 5 days and reports back within 14 days.
- If the complainant is not satisfied with the outcome of the investigation, they are entitled to appeal and are referred to the committee of trustees.

## **Ofsted complaints record**

- Legislation requires Nurserys to keep a record of complaints and disclose these to Ofsted at inspection, or if requested by Ofsted at any other time.
- The record of complaints is a summative record only.

A record of complaints will be kept for at least 3 years.

- In all cases where a complaint is upheld a review will be undertaken by the owners/directors/trustees to look for ways to improve practice where it is required.

This procedure is displayed on the Parent Notice Board.
