Aim

We are committed to safeguarding children, young people and vulnerable adults and will do this by putting young people and vulnerable adult's right to be '*strong, resilient and listened to*' at the heart of all our activities.

Ashridge Nursery has 'three key commitments' which are broad statements against which policies and procedures across the organisation will be drawn to provide a consistent and coherent strategy for safeguarding children young people and vulnerable adults in all services provided. The three key commitments are:

1. Ashridge Nursery is committed to building 'a culture of safety' in which children, young people and vulnerable adults are protected from abuse and harm in all areas of its service delivery.
2. Ashridge Nursery is committed to responding promptly and appropriately to all incidents or concerns of abuse that may occur and to work with statutory agencies in accordance with the procedures that are set down in '*What to do if you are worried a child is being abused*' (HMG 2015) and '*No Secrets (updated by the Care Act 2014)* and *Working Together 2018*.
